### Birthdays

October 19<sup>th</sup> – Brian Lynch

October 27 – Bart Callear

Although Lion Steve Hobirk has "hosted" the Golden Lion a "few" times for its annual "stay" with him after our annual golf outing, Lion Steve let the club know at a recent meeting that he won the trophy for first place in his Tuesday night Golf league. Congratulations Lon Steve!

## New Member Induction

On October 2<sup>nd</sup> we welcomed our newest member Lion Kaitlyn Schultz who was sponsored by 1<sup>st</sup> VP Lion Brent Schultz. Welcome Lion Kaitlyn!

We also heard an interesting program from Lion Jim Snyder's sister Tammy Snyder who talked to the club about her company (Life's' New Beginning) which operates six group homes in the York County area.

## Special Fall Fair Night

At our October 16<sup>th</sup> Regular Meeting we're planning on having a special Fall "Fair Night" We're trying to raise additional funds for the club to offset the future cost of our 75<sup>th</sup> Club Charter Night anniversary next Fall. PDG Pete Van Zandt will be our auctioneer and asks that you bring items for the auction that can help make the event a success. It usually ends up being a fun evening and many go away with something (hopefully) they wanted.

## Spaghetti Dinner – A Success!

Our first ever spaghetti dinner held at the Grace United Methodist Church recently was a success. While the number of people served was down, we made more money since we reduced our overhead costs. The smaller group helped us work out new processes and flows to grow with next time we have a dinner there. As of our October 2<sup>nd</sup> meeting our proceeds are just under \$1,300. If we can get more guests to attend we'll do even better. Thanks to Lion Chuck Saint Sing, all those members who helped during the dinner and a special thanks to Tammy Waggoner for guiding us through our first dinner at the church.

Happy Halloween!

**FOUNDATION**

In June of 2018, LCIF celebrated its 50<sup>th</sup> anniversary. LCIF is our foundation. And in these past 50 years, our foundation has made an enormous impact on so many local and global projects and initiatives. Through the awarding of over US \$1 billion in grants, we have saved the sight of 9.1 million people through cataract surgeries. We've improved the lives of over 16 million children with the positive life skills taught in the Lions Quest program. We've been there for our neighbors, and communities around the world, when disaster has struck, awarding over \$118 million in disaster relief. We've supported the vaccination of millions of children from measles, saving countless lives.

If you have not made a donation to LCIF, please consider doing so.

**Membership Matters**

Please think about inviting a guest to one of our Fall meetings. There are some good programs planned.

Remember to reply to King Lion Bart's email request about bringing an item for our meal at the 6:00 pm October 10<sup>th</sup> Board Meeting at GUMC.
